Dear Jose,

I want to take a moment and thank you and the entire A.P.C. staff for the exceptional training you recently provided for us. The entire "School Resource Officer response to the Active Shooter" course was filled with more practical knowledge and tactics than we could have expected. Those who attended have commented that it was the most thorough, provoking, and tactically challenging course they had ever attended. The level of knowledge brought to this course should be taught to every police officer beginning at the Academy level. Our Department would wholeheartedly recommend this course be required to any and all officers who work in a school setting. We are deeply grateful for your continued dedication and professionalism to the training of law enforcement everywhere.

Respectfully,

Russ Hatzel
Training Coordinator
Mt. Olive Township Police Department.
